

Pursuant to the rule, the amendment in the nature of a substitute recommended by the Committee on Education and Labor now printed in the bill shall be considered as an original bill for the purpose of amendment under the five-minute rule. **Pages H54–60**

Accepted:

George Miller (CA) manager's amendment (No. 1 printed in H. Rept. 110–508) that provides the mining industry with more time to install a new generation of fire-resistant conveyor belts, provides funds for MSHA to purchase a new generation of dust monitoring devices to limit black lung disease, and ensures that breathable air requirements of the MINER Act of 2006 are properly implemented. In addition, the amendment requires that the Secretary of Labor conduct a study on substance abuse by miners with recommendations for policy changes, in consultation with all interested parties. The Secretary shall report the findings within six months of the bill's enactment and, if she deems it feasible and effective, shall be authorized to establish a miner substance abuse testing, rehabilitation, and treatment program within MSHA in consultation with the interested parties (by a recorded vote of 234 ayes to 183 noes, Roll No. 5); **Pages H60–64, H70**

Boucher amendment (No. 2 printed in H. Rept. 110–508) that authorizes \$10,000,000 to award grants to provide rehabilitation services to current and former miners suffering from mental health impairments, including drug addiction and substance abuse issues, which may have been caused or exacerbated by their work as miners (by a recorded vote of 364 ayes to 53 noes, Roll No. 6); and

Ellsworth amendment (No. 3 printed in H. Rept. 110–508) that offers relief to mine operators that have been assessed penalties and pay them in a timely fashion. It also establishes a trust fund within Treasury, composed of mine safety civil penalties. Funds from the trust fund can be used for mine safety inspections and investigations only (by a recorded vote of 416 ayes with none voting “no”, Roll No. 7).

Pages H65–66, H71–72

Rejected:

Wilson (SC) amendment in the nature of a substitute (No. 4 printed in H. Rept. 110–508) that promotes the continued robust implementation of the 2006 MINER Act, increases worker safety by providing miners the opportunity to have a voice in mine safety, expands substance abuse programs to all mines to ensure safe working conditions for all miners, and addresses issues raised by the recent Crandall Canyon disaster (by a recorded vote of 188 ayes to 229 noes, Roll No. 8). **Pages H66–70, H72**

Agreed that the Clerk be authorized to make technical and conforming changes to reflect the actions of the House. **Page H75**
